#### 977-M

Mid-back conference or executive chair features knee-tilt mechanism with tilt lock lever; tension control, signature c-arms and stitching detail on front and back. Shown with optional chrome base.

## Saga

Sleek, sophisticated and rich in modern design and details, Saga has much to share. Exuding plush style with contemporary lines, refined stitch patterns and a distinctive signature arm- not to mention the superb comfort of a memory foam enhanced seat, this Saga has no need for a sequel.

#### 957-H

High back swivel-tilt model offers adjustable seat height with tension control, tilt lock, signature c-arms and optional satin chrome base.
